BATTLE OF THE CLASSES: Senior Victory

On Saturday, September 30, the juniors and seniors battled it out in the annual Powder Puff game. The rivalry was shown on and off the field as both classes planned to come out on top.

Camryn Slone started the game off with a senior touchdown. The juniors fought hard to hold the seniors, but Alexis Stanley scored another six points for them.

As the clock ran down, Leslie Stewart caught Bailey Stiltner's pass for a junior touchdown. Although the juniors fought hard, the seniors came out with a 14-6 victory.

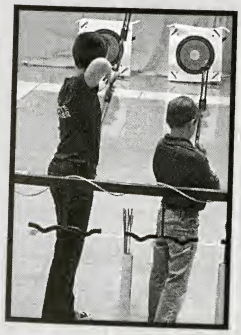
Aim for the Bull's-Eye

Pikeville archery has grown over the past four years, according to Coach Scott Hopkins. "We now have a team in all three divisions: elementary, junior high, and high school. We have had as many as 74 archers this year."

Archers competed in seven tournaments during the season that officially runs from October 15 through April 30. They also hosted the NASP Regional Tournament and co-hosted their first tournament with UPike Archery on the UPike campus.

Senior Mason Hess and junior Britney Hopkins qualified as individuals for the NASP State Tournament.



Making a Name

With first year coach Amanda Hartsock leading the girls, the Lady Panthers finished the season with an 11-10 record. The girls played more difficult teams than years past and showed many schools in the state that they were there to play.

In the district tournament, the girls placed runner-up and finished the season in region play. Camryn Slone broke the school record for Most Career Goals with 116 and was named First Team All-Region. Alexis Stanley was named to Second Team All-Region and Alivia Gearheart and Anna Salyer received Honorable Mention. These four girls were also selected to the All-District Team.

Center Stage at Rupp for the Second Straight Season

It was an unforgetable season! The Panthers won the 59th District Tournamant and were the first team in school history to win the All "A" 15th Region Tournament, along with the regular 15th Region Tournament and making it to the Sweet 16 at Rupp Arena.

This was Pikeville's first back-to-back region championships since 1952 and 1953. No high school basketball game in 15th region history has ever carried the weight of Pikeville's opening-round match-up with John Hardin on March 14.

In an epic triple overtime shocker, only the third triple overtime game in Sweet 16 history, the Panthers knocked off the Bulldogs 72-69, advancing to the Elite Eight.

Right on Target!

Through continuous practice and dedication, the archery team saw improvement throughout the season.

"Students have learned that focus and skill are required for this sport. And because of their willingness to practice these skills, a successful program is being built at Pikeville Independent," Coach Scott Hopkins explained. "The student participation has been overwhelming since the sport began four years ago.

"We now have a team in all three divisions: elementary, junior high, and high school. As many as 74 archers participated."

Celebrating Success!

"These young individuals accomplished great things this year," Coach Markayla Stevens said. "Their goal was to win Region Governor's Cup and they did! Because of their hard work during practices and studying on their own at home, these students should be proud of themselves."

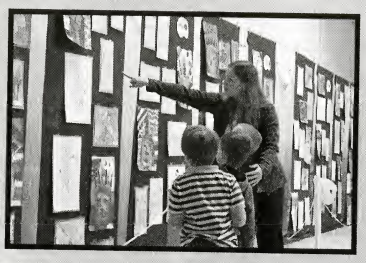
Creating Masterpieces



The annual art show in May showcased works from more than 650 students. "The art on display showed the elements and principles the students have been learning in class this year," art teacher Paula Pugh explained.

"This exhibit is a way to teach the students to appreciate the art they create. I encourage them to think "outside of the box" and embrace the "beautiful oops" by persevering through their mistakes in every piece."

First Year Archery Team at Pikeville Elementary

"I was so pleased to see the interest in archery at the elementary level," Coach Scott Hopkins said. "We strive to continue to grow, as parents and students come to understand that this is the sport where everyone is on equal playing ground and can achieve scholarship benefits to further their academic career."

The team co-hosted their first tournament with UPike Archery on the UPike Campus.
